

LUXURY OUTDOOR FURNITURE
2020

ABOUT US

Skyline Design manufactures and designs luxury outdoor furniture. All of the Skyline Design collections are created using only the finest weaving materials such as Viro™, Raucord by Rehau, and Ecolene & Polystrand to produce high quality, lightweight and weather resistant styles.

These synthetic fibers are boldly revolutionizing design providing chemical and UV resistant, all-weather proof, high-tensile strength furniture that is safe for the environment and 100% recyclable. Skyline Design incorporates innovative design, lasting quality and customer service as the cornerstone of its international brand. The North American headquarters are located in South Florida and presently distributed in over 50 countries.

Skyline Design supplies its dealers worldwide through a network of sales representatives, trade showrooms, & international exhibitions, providing specialty retailers, interior designers, and hospitality buyers with exterior casual furnishings for their residential, hospitality and specialty clients.

For additional information or to find an authorized dealer near you please call 877.595.4634 or visit www.skylinedesign.com/northamerica

BANDIDO

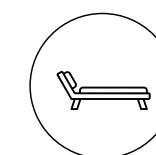

Enjoy your outdoor area as a place of not only relaxation but a space with style and pizzazz. The Bandido Collection exudes a modern sophistication in design that will refine any outdoor seating, dining or lounging area. This collection is composed of wide bands of strong and durable woven fibers in the Silver Walnut weave over an aluminum frame which creates a lightweight yet sturdy and profound feature to all the pieces in this collection.

STRIPS

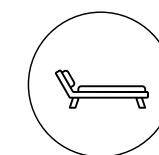

The captivating look of our Strips Collection reinforces the fact that outdoor furniture is more than one-dimensional in design. Strips is made up of an exposed white matte aluminum frame with intersecting wide Silver Walnut weave. The sofa and armchairs also come complete with back cushions and throw pillows for accessorizing.

CHOICE OF FABRIC PROGRAM

CUSHION PROGRAMS

Quick Ship Fabric Program

Skyline Design offers a quick shipment program with optional Sunbrella® cushions as shown in Sunbrella® Canvas 5453 fabric over our high-resiliency foam core cushion. The cushions are sewn with a premium venting mesh system, reducing the dry time after the cushions have been exposed to rain.

Choice of Fabric Program

Skyline Design has responded to client demand looking for a simple change of Sunbrella® Fabric choice for their outdoor furniture. This program allows for the original factory cushion core to be recovered with your choice of 50 select Sunbrella® Fabrics at one standard grade level, as shown on page 250. For the minimal upcharge, you will receive the original Sunbrella® fabric skin, as well as a complete cushion in the fabric of your choice from the 50 Sunbrella® fabrics listed in Choice of Fabric Program.

Choice of Fabric Program Features & Benefits

- Choice of 50 Sunbrella® listed fabrics.
- All Choices of Fabric Program items noted in MSRP by item number C-FP.
- Faster lead time 2-3 weeks (Lead times may vary).
- Customer receives the original set of skins when ordering Choice of Fabric Program Cushion.
- Flow through mesh bottoms.
- 5 Years Sunbrella® Warranty on Fabric.

Custom Cushion & Cover Program

If your clients require a custom cushion upgrade, high performance cushions and outdoor furniture cover options, please reference our High Performance Custom Cushion Program details.

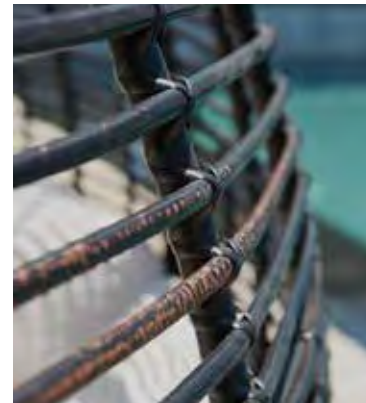

FACT SHEET

- Skyline Design Luxury Outdoor Furniture is suitable for year-round outdoor use. Skyline Design materials are made of high density polyethylene (HDPE) which offers the right blend of tensile strength and bending properties necessary for weaving. HDPE's superior weather and chemical resistance makes our furniture suitable for all applications, ideal for outdoor usage and is weatherproof, UV resistant and available in a wide range of colors and profile shapes.
- Aluminum frames are finished with a multistage deluxe powder coat process giving unsurpassed long lasting quality and resistance to corrosion and/or blistering.
- All outdoor cushions are filled with high-grade polyurethane foam which helps maintain shape, comfort and durability and are covered in Sunbrella® fabric.

WARRANTY AND CLEANING

- A 3 year limited warranty for residential installation covers all defects associated with workmanship or materials of Skyline Design, 1 year limited warranty for commercial use.
- Cushions have a separate 1 year limited warranty which does not cover failure due to neglect or lack of maintenance, acts of nature, inappropriate cleaning agents and/or freight damage.
- To keep cushions looking good and delay any deep or vigorous cleaning it is recommended to soak fabric in a solution of 1/4 cup mild soap per gallon of lukewarm water. Next, use a sponge or a soft bristle brush as necessary to remove soil. Rinse thoroughly to remove all soap residue and allow fabric to air dry completely. Machine Washing - Machine wash in cold water (less than 100°F/38°C). To avoid mildew, after excessive water accumulates in cushions, open cushion zipper and place cushions on zipper end allowing to air dry. It is not recommended that the cushion skins be dry cleaned, or machine dried. Bleach or chlorine based cleaners should not be used on acrylic fabric.
- Locating an authorized retailer or certified interior designer to buy Skyline Design furniture can be done on our website under dealer locator.
- Skyline Design North America is headquartered in South Florida. For additional information please call 1.877.595.4634 or email sales@skylinedesign.com.
